Potential for Land Based Salmon Grow-out in RAS in Ireland

"Freshwater Farming in Ireland" a technical guide to the efficient use of water. BIM's Aquaculture Explained Manuals Series no. 22.

Ivar Warrer-Hansen

Founder RASLogic

Ebeltoft, Middle Jutland, Denmark

Summary

Chem.eng, M.ing.F, M.IDA, 1977. Dip.Commerce, Copenhagen Business School, 1979.

Scientific background in water quality, wastewater treatment and aquaculture.

Extensive knowledge of RAS technology. Was co-founder of the Aquaculture Department at the Danish Water Quality Institute in 1978 where research into intensive RAS began in Europe.

Started fish farming in Ireland and produced 70% of the Irish trout production. Salmon smolt producer and salmon grow-out.

Have designed, built and operated most RAS concepts on the market over the years.

Has been involved in design of salmon smolt, salmon post smolt and salmon grow-out of more than 50 RAS in the last 12 years. This includes two 24,000 ton projects for Nordic Aquafarms.

Huge knowledge of the Aquaculture industry in general, and RAS technology especially.

Favorite quote: "Discovery consists of seeing what everyone has seen and thinking what nobody has thought", Albert Zsent-Gyorgyi, 1937.

Experience

RASLogic

Chief Executive Officer

November 2020 - Present (2 years 10 months)

Ebeltoft, Denmark

It is imperative to choose the right RAS concept. The problem is that even larger and established RAS suppliers do not necessarily have the best concept. Numerous fish losses in the last couple of years show that. RASLogic can help you choose the most optimal solution.

RASLogic can help you make the right decisions.

Expert Witness

Expert Witness

1978 - 2022 (44 years)

16 cases in Denmark, USA and the UK

Numerous appointments as Expert Witness in both High Court as well as Supreme Court cases. Business compensation claims, pollution claims, RAS claims.

Nordic Aqua Farms

Senior Advisor, RAS

September 2018 - November 2020 (2 years 3 months)

Aarhus Office, Denmark

Inter Aqua Advance A/S

Head of Business Developments

August 2004 - November 2020 (16 years 4 months)

Business strategies, marketing and sales

Skretting

Technical Adviser/Consultant

May 1994 - 2004 (10 years)

Advisor on recirculation technology and hatchery developments, production enhancements

Aquaculture Consultancy Ltd

Managing Director

1992 - 1999 (7 years)

London

Production enhancement strategies, environmental impact assessments, feasibility studies.

IDAS Ltd

Managing Director

May 1982 - June 1992 (10 years 2 months)

Trout and salmon production, fish processing

Water Quality Institute, now the DHI Group

Senior Project Manager

1973 - 1982 (9 years)

Hoersholm, Copenhagen, Denmark

Aquatic Ecology, Wastewater Treatment, Aquaculture Research. First research and innovation into RAS technology for Aquaculture carried out in the world.

Education

Danish Engineering Academy

Chemical Engineer · (June 1977)

Copenhagen Business School

Higher Diploma, Business/Commerce, General · (1979)
